The Energizer® 6 LED Metal light is an economical general lighting choice. It has an aluminum body and an easy to operate pushbutton tailcap switch. Providing a generous 42 lumens of light, this flashlight will allow you to make out objects up to 48 meters away, making it handy for household use. The 10-hour runtime using Eveready Super Heavy Duty batteries and the lifetime LEDs keep your cost of ownership low.

Before Using Your Flashlight:
Please read all instructions and cautionary markings on the package and light
