

The Wedge XT is an ultra-compact, high-performance EDC light designed for clean pocket carry. Outfitted with a tactical push-button switch for easy, one-handed use, it produces 500 lumens for 2 hours. Five-Tap™ lockout of the switch prevents the light from turning on inside your pocket or bag. Made of rugged anodized aluminum with a waterproof USB-C port, the Wedge XT balances durability with performance.

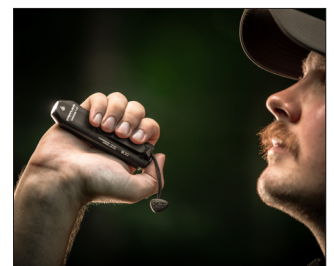

Proven waterproof USB-C port offers universal and convenient charging of lithium-ion battery
